This agenda may be modified at the discretion of the 911 Strike Force Chair and the Designated Federal Officer. As will be discussed, the 911 Strike Force’s mission is to study how the Federal Government can most expeditiously end diversion by a state or taxing jurisdiction of 911 fees or charges by (1) determining the effectiveness of any Federal laws, including regulations, policies, and practices, or budgetary or jurisdictional constraints, to end fee diversion; (2) considering whether criminal

penalties would further prevent diversion; and (3) determining the impacts of diversion. The 911 Strike Force will publish on the Commission's website and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on its findings no later than September 23, 2021. The June 3, 2021 meeting will be held in a wholly electronic format to accommodate continuing public health precautions related to the coronavirus (COVID-19) pandemic.
